

# 1000 ACTUAL TRINKETS

## FOR D&D

---

"Actual trinkets, no staves, no magic maces of directional finding,  
no drops of water described as tears from a crying fairy  
while a minotaur named Haberdash Jones raped him.  
What? Fairies can be boys!"  
-Anon

## TRINKETS 1-50

| d10 | d100 | Trinket  | d10 | d100 | Trinket   |
|-----|------|--|-----|------|---|
| 0   | 01   | Twisted bit of branch almost like a wand. When used to draw on the ground the scratches slowly fill with ink   | 0   | 26   | An exotic dried fruit   |
| 0   | 02   | A glass jar that appears to contain boiled cabbage, vinegar and several spices   | 0   | 27   | The skeleton of a small bird with hands where its wings should be   |
| 0   | 03   | A three unit bill in an unknown currency, remarkable for being a "paper coin"  | 0   | 28   | Eagle-shaped electrum letter opener. A mechanism causes the beak to open and close when the wings are made to flap  |
| 0   | 04   | Tooth from an ancient sea beast  | 0   | 29   | belt buckle, with gold, roped trim, center carved in form of elk head   |
| 0   | 05   | Worn boots that automatically lace and tie themselves  | 0   | 30   | A pair of strung together monocles. One is tinted red, the other green  |
| 0   | 06   | A glass elf ear  | 0   | 31   | The scabbard of a curved dagger, inlaid with patterns of the moon and stars   |
| 0   | 07   | Sealed tin of Good Gob's Eyebrow Wax   | 0   | 32   | A compass that always points to the person holding it   |
| 0   | 08   | A copper spoon that tastes of raw meat   | 0   | 33   | A glass jar containing a live goldfish  |
| 0   | 09   | A set of small jars of animal scat: dog, ferret, horse   | 0   | 34   | Empty glasses frames  |
| 0   | 10   | A small bottle with black sand   | 0   | 35   | Necklace stones that look like gnome eyes   |
| 0   | 11   | A large transparent gem that, when gripped tightly, whispers in Sylvian  | 0   | 36   | A single gauntlet inscribed with a fire motif and an unfamiliar name in Primordial  |
| 0   | 12   | A crystal cube with light trapped inside. Squeeze to illuminate a room for 1 round a day   | 0   | 37   | A hardened bone slave's collar  |
| 0   | 13   | An inky black square housed within an ornate golden frame. On closer inspection, faint shapes and motion are visible in the painting, as though it shows an active scene in an unlit room or perhaps underground | 0   | 38   | A tuft of hair from a bugbear   |
| 0   | 14   | A small crystal sphere that illuminates under starlight  | 0   | 39   | The dried foot of a quasit on a braided cord for wearing about the neck   |
| 0   | 15   | Two rocks, one hollowed out as a mortar and the other shaped like a pestle   | 0   | 40   | A blank coin which progressively weighs more and more in the vicinity of gold   |
| 0   | 16   | A wooden trap for catching rabbits   | 0   | 41   | A tearstained love letter from an elven lady, breaking things off with her human lover  |
| 0   | 17   | Three clay spheres are chipped, scuffed, and slightly deformed, but they have intricately curving designs  | 0   | 42   | A skull carved from a pock-marked lava rock   |
| 0   | 18   | A hand-broom enchanted to constantly sweep up whatever room it's placed in   | 0   | 43   | A preserved eyeball attached to a spindly eye-stalk, the nerves twitch occasionally   |
| 0   | 19   | A crystal that refracts the light strangely and has an odd dark deposit at it's centre   | 0   | 44   | A glass jar with tentacles in a pickling fluid  |
| 0   | 20   | A wooden plate with a drawing of the Candlekeep on it  | 0   | 45   | A miniature brass horn, silent when played, but fills the air with the scent of warm and exotic spices  |
| 0   | 21   | Bouquet of pewter roses  | 0   | 46   | Bookmark made from the skin of an infamous assassin   |
| 0   | 22   | Clockwork key of unknown use   | 0   | 47   | A petrified potato that resembles a clenched fist   |
| 0   | 23   | Dented tin crown emblazoned with cut glass "gemstones"   | 0   | 48   | Fashionable top hat of fine mole hide   |
| 0   | 24   | The skull of a goblin. An intricate pattern of lines and circles has been carved into the top  | 0   | 49   | A coin that appears to have the same sides to everyone except you   |
| 0   | 25   | A shard of obsidian with a tiny skull inside of it   | 0   | 50   | A fist-sized spool of fine silvery wire, thinner and stronger than anything you've encountered before. You get the feeling that it would be more likely to cut you than to break if you put your weight on it |

## TRINKETS 51-100

| d10 | d100 | Trinket  | d10 | d100 | Trinket   |
|-----|------|--|-----|------|---|
| 0   | 51   | A small vial containing pure dirt from the elemental plane of Earth, labeled as such in primordial   | 0   | 71   | A parchment showing the constellations in the night sky   |
| 0   | 52   | A musical washboard made of monster bones  | 0   | 72   | The branch of a peryton's horn  |
| 0   | 53   | A wooden plate that cleans itself after each meal  | 0   | 73   | An antique sword, rusted to the scabbard  |
| 0   | 54   | A perfectly round black obsidian orb 2" in diameter with a small wedge-shaped chunk taken out of it  | 0   | 74   | An ivory whale statuette  |
| 0   | 55   | A woolen scarf that is knitted with the words of an ancient elven prayer   | 0   | 75   | A bag full of tiny mummified frogs  |
| 0   | 56   | A needle made of gold that can pierce any hide   | 0   | 76   | A necklace of varyingly spherical and odd-shaped shimmering stones that gives the wearer prophetic dreams   |
| 0   | 57   | A small chest plated in silver is decorated with etchings of interwoven geometric shapes and is a work of art. Careful examination reveals it to actually be worth more than it may seem at first glance | 0   | 77   | A faded writ of trade from Yartar   |
| 0   | 58   | A plaque commemorating the death of an elven hero  | 0   | 78   | Bounty handbill for a criminal witch, the image of the accused seems to move as if alive  |
| 0   | 59   | A pair of green leather archery bracers. They have a pouch on the wrist for extra bowstrings   | 0   | 79   | A small sterling box engraved with the image of a small bunch of fruit with leaves and vines. Inside is a sealed paper packet which rattles when shaken |
| 0   | 60   | A signet ring emblazoned with the image of a shooting star hurtling downwards. The ring itself is of beaten gold, and the shooting star etching is picked out with silver                                | 0   | 80   | Silver ceremonial knife, dull edged. The metal is entirely green in color   |
| 0   | 61   | A brooch made of elven silver that seems to flow to fit the contours of the wearer   | 0   | 81   | A dire bone needle  |
| 0   | 62   | A pair of glasses that make you invisible to yourself  | 0   | 82   | A crown fashioned from vines  |
| 0   | 63   | A horn that when blown through produces no sound   | 0   | 83   | A book of pressed flowers, you recognize none of them   |
| 0   | 64   | Fine scarlet thread, suitable for sewing. Makes for good stitching on extravagant clothing. It emanates faint red sparkles in the darkness   | 0   | 84   | A mitral ring in perfect condition  |
| 0   | 65   | A masterwork quality floral print umbrella, 8" long folded   | 0   | 85   | A ring made of agafari wood   |
| 0   | 66   | A child-sized short bow with a missing bowstring   | 0   | 86   | A scroll bearing an urgent message for an elven lord  |
| 0   | 67   | A tooth from a water drake that always has condensation on it  | 0   | 87   | A quiver of twenty arrows that degrade quickly after impact, leaving no trace   |
| 0   | 68   | A ring with intricate etchings of wind-blown leaves that cover this golden band. Worn runes-possibly of elvish origin-decorate the ring's inner surface, but what they say is impossible to determine    | 0   | 88   | A polished orb of amber with a small lizard trapped inside  |
| 0   | 69   | An apparently empty green glass bottle that is sealed with red wax   | 0   | 89   | A small stone box with unknown ashes in it  |
| 0   | 70   | A gilded egg, about the size of your fist. If you listen carefully something can be heard scratching and muttering to itself inside it   | 0   | 90   | A knitted yarn wand cozy  |
|     |      |  | 0   | 91   | A stick of petrified child's candy  |
|     |      |  | 0   | 92   | A metal chisel that never goes blunt  |
|     |      |  | 0   | 93   | A game board and pieces for a game no one knows how to play   |
|     |      |  | 0   | 94   | A hemp necklace that amplifies the wearer's voice slightly  |
|     |      |  | 0   | 95   | A music box that appears to be in working order but makes no noise  |
|     |      |  | 0   | 96   | A spare reed from a wind instrument   |
|     |      |  | 0   | 97   | A sharpened feather   |
|     |      |  | 0   | 98   | Cobra-Shaped Earrings   |
|     |      |  | 0   | 99   | A set of child's wooden building blocks, when left on their own unobserved they occasional spell out words  |
|     |      |  | 1   | 00   | A small stone pineapple statue taken from a building  |

## TRINKETS 101-150

| d10 | d100 | Trinket  |
|-----|------|--|
| 1   | 01   | An ornate onyx bishop chess piece with an inscription on the bottom that appears to be a skull in the center of a starburst                    |
| 1   | 02   | A note scrawled in blood. The symbols and shapes are indecipherable  |
| 1   | 03   | An ash divining rod that twitches when water is close  |
| 1   | 04   | An ivory hair comb that changes your hair color subtly after repeated use  |
| 1   | 05   | A bracelet made of silvered fish hooks   |
| 1   | 06   | A moderately well crafted glass eye. It turns black on nights of a full moon   |
| 1   | 07   | A single hoop earring made of a porous red stone   |
| 1   | 08   | A bandoleer for crossbow bolts   |
| 1   | 09   | Exquisite flute made from a human thigh bone   |
| 1   | 10   | Seven small beads of sandstone on a string, all different colors   |
| 1   | 11   | A large piece of shell from a dragon's egg   |
| 1   | 12   | A standard deck of playing cards; includes two jokers but mustaches are drawn on all the figures   |
| 1   | 13   | A small crystal snow globe that, when shaken, seems to form silhouettes of dancing forms   |
| 1   | 14   | A fancy man's deck cleats  |
| 1   | 15   | A clay tablet with unknown runes on it. A stylized impression of a dragon fills the bottom quarter   |
| 1   | 16   | A 3 minute sand timer that slows as you focus on it  |
| 1   | 17   | A wand that animates sufficiently putrid goo, refuse, or moldy food into an appropriately sized ooze. It is hostile to all non-oozes           |
| 1   | 18   | A small rock that was once part of a stone elemental   |
| 1   | 19   | A very small and furry creature that always sleeps and never eats  |
| 1   | 20   | A manuscript of a dwarven poem about a couple who debate whether to go against the will of their clans for love. Ultimately they decide not to |
| 1   | 21   | A broken jade disk inscribed with the image of a claw grasping an excised heart  |
| 1   | 22   | An artistic painting of two hamsters locked in mortal combat   |
| 1   | 23   | A doll with hair made of rare moss   |
| 1   | 24   | Elk thighbone with notches carved out a random intervals along its length, each painted with black ink   |
| 1   | 25   | steel tankard engraved with warhammer and mine entrance  |

| d10 | d100 | Trinket  |
|-----|------|--|
| 1   | 26   | A painting of yourself when you are much older   |
| 1   | 27   | A small brass flute adorned with silver wire that is always faintly sounding   |
| 1   | 28   | A chess piece made of some semi-valuable material, Roll 1d4 to determine appearance: 1:jade knight 2:steel queen 3:onyx rook 4:wood bishop |
| 1   | 29   | A crow's claw  |
| 1   | 30   | 1" complete human skull  |
| 1   | 31   | A wooden puzzle box that you have not solved   |
| 1   | 32   | A small mass of grey metallic ooze that can be stretched but not pulled apart  |
| 1   | 33   | A crystal containing a trapped stirge. Emits a faint glow at night   |
| 1   | 34   | A scrap of skin inscribed with a 3 word orc poem   |
| 1   | 35   | A mummified hand of a juvenile yeti  |
| 1   | 36   | A lead model of a dragon, about three inches across  |
| 1   | 37   | An arrowhead carved from sea salt  |
| 1   | 38   | A tankard that is capable of changing a drink poured into another drink of similar potency (ale into stout for instance)                   |
| 1   | 39   | A coin made of water that retains its shape and detail even if an item is passed through it, making the item wet                           |
| 1   | 40   | A whistle made from the shell of a large mollusc   |
| 1   | 41   | A golden amulet in the shape of a bug on a leaf  |
| 1   | 42   | Dozen silver spoons, all with the same design but each bearing a different set of initials on the handle                                   |
| 1   | 43   | A thin metal rod that plays out a tune when repeatedly tapped  |
| 1   | 44   | A grime encrusted bone ring  |
| 1   | 45   | A canteen filled with a foul smelling orange mud   |
| 1   | 46   | A kobold tooth with a glowing rune etched into it  |
| 1   | 47   | An odd pocket-sized gizmo that forecasts severe winds and rain coming your way   |
| 1   | 48   | A flask which has had its inside surface blackened by soot   |
| 1   | 49   | A shrunken gnoll head  |
| 1   | 50   | A clockwork finch that flaps its wings in the presence of a breeze   |

## TRINKETS 151-200

| d10 | d100 | Trinket  | d10 | d100 | Trinket  |
|-----|------|--|-----|------|--|
| 1   | 51   | A small piece of leather which holds several small pieces of dried sap   | 1   | 76   | A broken bone heart pick inscribed with the name of a goliath tribe  |
| 1   | 52   | Plague Doctor's Mask   | 1   | 77   | A piece of ceramic with the image of silk skimmer on it  |
| 1   | 53   | An amulet depicting the Orc god Gruumsh, anyone who wears it finds themselves compelled to keep one of their eyes closed   | 1   | 78   | A necklace with a small, rusted iron anchor  |
| 1   | 54   | An incomplete cheat deck of marked playing cards   | 1   | 79   | Contract of ownership to an unnamed slave  |
| 1   | 55   | A bottle containing a very small ochre jelly   | 1   | 80   | A coin made of paper   |
| 1   | 56   | A sprite-sized copper tea set  | 1   | 81   | A shark tooth covered in tiny etched words from a lost language  |
| 1   | 57   | A leather pouch full of rainbow colored sand   | 1   | 82   | A flask of blue liquid which smells faintly of urine   |
| 1   | 58   | 6 chicken eggs nestled among straw in a wooden box   | 1   | 83   | A sturdy three-foot tube of rolled paper   |
| 1   | 59   | Manual of childhood diseases   | 1   | 84   | A slender bracelet in braided gold, silver and wood  |
| 1   | 60   | A crystal with a face that bears uncanny likeness to you etched inside of it   | 1   | 85   | A finely preserved sheep's bladder   |
| 1   | 61   | Three six-sided dice, carved from stone and polished   | 1   | 86   | A black wooden scepter that curls into a spiral at the end   |
| 1   | 62   | A pair of old books written in a lost language   | 1   | 87   | A bedroll that seems to change it's coloration slightly to match the environment   |
| 1   | 63   | A slaad spur   | 1   | 88   | A tin of purple powder, when the powder comes into contact with blood it glows for ten minutes   |
| 1   | 64   | A nose flute   | 1   | 89   | A piece of torn red cloth bearing a royal insignia   |
| 1   | 65   | A Shrunken Head: This item has no useful functions whatsoever. It's just a collectable and has a painted inscription "17/20"   | 1   | 90   | Fist-sized bright silver scorpion  |
| 1   | 66   | A greenish petrified bit of wood that resembles a caterpillar with tiny spots of ruby inlaid along the body  | 1   | 91   | A set of bamboo wind chimes  |
| 1   | 67   | A jade pendant carved into the likeness of a dragon that turns into black obsidian when worn in the sunlight   | 1   | 92   | A leather-cover, bound book of 34 handwritten pages. It contains the descriptions of a naturalist travelling through the Dessarin Valley   |
| 1   | 68   | A hand mirror that shows the scene past the mirror as if it had no glass and no back   | 1   | 93   | Pair of blue drakeskin gloves  |
| 1   | 69   | A metronome that slows gradually   | 1   | 94   | Bronze coin. Bears the profile of a rat wearing a crown  |
| 1   | 70   | A flask with water containing gold flakes  | 1   | 95   | A small iron hammer made by an ancient dwarven clan  |
| 1   | 71   | A crystal eye from a crystal spider  | 1   | 96   | A 1 inch wide strip of paper. It seems to always be possible to unfold it again lengthwise, doubling its length, but never making it wider |
| 1   | 72   | small book, 100+ pages in length, fictional tale of a girl lost in the wild, author - Sakmir Arlondo   | 1   | 97   | A hard black leather case containing an excellently crafted pairing knife  |
| 1   | 73   | A scroll box decorated with various sigils of esoteric power, this leather case is soft and malleable. The sigils look freshly painted and a faint, undefinable smells hangs over the case | 1   | 98   | A tiny, mummified miniature beholder   |
| 1   | 74   | An ivory plague mask, the beak stuffed with fragrant poesies   | 1   | 99   | A whalebone pipe. Should you smoke any in it near a waterfront, it summons a sunken ship to the surface somewhere within a mile            |
| 1   | 75   | A sealed tube of clear liquid with a tiny bobber floating in the middle of it  | 2   | 00   | A small terracotta flask which fills itself each day with cow urine  |

## TRINKETS 201-250

| d10 | d100 | Trinket   | d10 | d100 | Trinket  |
|-----|------|---|-----|------|--|
| 2   | 01   | A small violin that is missing all but one of its strings, remarkably when played it sounds as though the other strings are present                   | 2   | 26   | flask with gold embossing, initials SK engraved on one side  |
| 2   | 02   | A wide cap made from the preserved remains of a Flumph  | 2   | 27   | A bottle of invisible ink that can only be read under a full moon  |
| 2   | 03   | A small set of pruning shears   | 2   | 28   | An hippogriff beak with string tied to it, to make a mask  |
| 2   | 04   | A headless chicken fetish   | 2   | 29   | A glass bottle that spins and points to the same place when left alone   |
| 2   | 05   | A plain looking, but finely forged ring with a single setting holding an overly large crystal. The crystal glows with faint red, blue and yellow hues | 2   | 30   | Torn piece of metal from a minotaur frigate ship   |
| 2   | 06   | A soft feather that falls like a stone when dropped   | 2   | 31   | Astrolabe with a pattern of notches along the edge as if it was made to fit into a receptacle  |
| 2   | 07   | A leather eye patch set with obsidian and a braided leather cord  | 2   | 32   | A piece of volcanic rock that has never completely cooled down   |
| 2   | 08   | An ornately inlaid and painted wooden box containing the mummified remains of a small animal  | 2   | 33   | Courtly face paints  |
| 2   | 09   | A blanket which makes you invisible but also causes to snore, making an unusually loud racket   | 2   | 34   | Mithril key inlaid with a small blue gem that pulses regularly with a faint glow   |
| 2   | 10   | wooden and cloth doll, small gems for eyes  | 2   | 35   | Fang from a Spider Dragon  |
| 2   | 11   | The stuffed and preserved head of a gnoll   | 2   | 36   | A small jewelry box made from the shell of a turtle  |
| 2   | 12   | Small Wooden Mermaid Statue   | 2   | 37   | A small, wooden toy horse  |
| 2   | 13   | A comb that randomly changes the hair color of its user   | 2   | 38   | A sloughed off piece of snakeskin that has words written on it in a strange language   |
| 2   | 14   | Statuette of Baal, 3" tall. A slot in the base can be "fed" gold which disappears   | 2   | 39   | A strange barbed choker that makes your voice more resonant  |
| 2   | 15   | Intricately articulated metal armor that covers a single slender finger   | 2   | 40   | A bone insignia of rank from an orca army  |
| 2   | 16   | A blank piece of wet parchment that never seems to dry  | 2   | 41   | A pair of obnoxious dragon tooth cufflinks. Wearer compelled to act haughty in public  |
| 2   | 17   | An ornate razor, which only cuts in freezing cold temperature   | 2   | 42   | A compass that always points to where you were moments ago   |
| 2   | 18   | A small stone cube that acts as a magnet when placed against another stone  | 2   | 43   | A small piece of gelatinous cube that slightly stings the skin, prolonged exposure may cause a rash  |
| 2   | 19   | Elaborate face jewelry for a bird familiar  | 2   | 44   | A glass lamp with a tiny star suspended inside   |
| 2   | 20   | A prosthetic arm for a pixie  | 2   | 45   | A plain, unadorned iron rod has a large violet crystal set at its tip. Strange shadows move sluggishly within the crystal                                    |
| 2   | 21   | Two links of iron chain, a thin frosty mist constantly falls from them  | 2   | 46   | A long scroll case of bleached bone, that was once the leg bone of some tall creature. Stopped at one end with a bone plug a leather cap fits over the other |
| 2   | 22   | Tattoo needles made from elderfish bone   | 2   | 47   | A very small paper box containing a tiny twig that disappears in a puff of smoke when removed, only to reappear in the box 24 hours later                    |
| 2   | 23   | A tin whistle on a chain, there is a single goose feather attached to the chain   | 2   | 48   | Three primitive, flint arrowheads  |
| 2   | 24   | A wax seal matrix bearing the insignia of a claw  | 2   | 49   | An arrow covered in intricate carvings depicting elven life in the forest  |
| 2   | 25   | A series of fortune-tellers ivory tiles with letters from the common alphabet inked onto them   | 2   | 50   | A rusty fisherman's hook that becomes a grappling hook when near water   |

## TRINKETS 251-300

| d10 | d100 | Trinket  | d10 | d100 | Trinket  |
|-----|------|--|-----|------|--|
| 2   | 51   | A toy made of fabric in the shape of a Djinni creature and stuffed with some soft material   | 2   | 76   | A three inch cubic metal chest with a key. It's enchanted so it can't be opened in any other way than with the key                                     |
| 2   | 52   | A scrap from a childhood blanket   | 2   | 77   | A silver ring with the name "Aleena" engraved inside. The wearer can cast Spare the Dying once per week  |
| 2   | 53   | A fist sized metallic pyramid, deeply etched in incomprehensible runes   | 2   | 78   | A quill pen which, no matter what color ink is used, writes in green   |
| 2   | 54   | The carcass of a woodland animal, fashioned into a hat   | 2   | 79   | A tiny pirate flag depicting the Jolly Roger   |
| 2   | 55   | A wooden puzzle cube covered in elemental symbols  | 2   | 80   | The playbook from a performance where many of the audience died in a suspicious fire   |
| 2   | 56   | A dagger, simple and sharp, that is incapable of hurting you   | 2   | 81   | Arrowhead that has a strange sigil worn into one side  |
| 2   | 57   | 3-year old trail rations that look disgusting but smell delicious  | 2   | 82   | A gold coin that always comes up heads when flipped but when inspected shows two tail sides  |
| 2   | 58   | Ancient letter from a fallen soldier   | 2   | 83   | Miniature Clockwork Dog  |
| 2   | 59   | A ring that seems to have been carved from a lump of white-flecked granite. The outer edge is jagged and uneven while the inner band is worn smooth through use. It always feels cool to the touch | 2   | 84   | A tiny castle-shaped box. Inside are 9 miniature mundane weapons which expand to normal size if removed, reappearing after 1d4 days                    |
| 2   | 60   | A severed hand: human-sized, scaly and perfectly preserved (still warm)  | 2   | 85   | A roughly carved wooden bird whistle that attracts any nearby birds  |
| 2   | 61   | A lace garter in black and red   | 2   | 86   | A fist-sized ball of wax   |
| 2   | 62   | A paper fan that won't produce a breeze no matter how hard it's waved  | 2   | 87   | Seal of the United Clerical Temple of Filings  |
| 2   | 63   | A pale gray, amorphous sculpture that changes position whenever you are not looking  | 2   | 88   | A dried out hurrem beetle that hums  |
| 2   | 64   | The fishhook-sized barb from the stinger of a giant bee  | 2   | 89   | Ship in a bottle: looks like an ordinary ship in a bottle but when smashed a rubber dingy appears  |
| 2   | 65   | A rosewood box containing a single set of silverware that never tarnishes or rusts   | 2   | 90   | Six-sided dice, with a skull pictogram replacing the 6. Roll 1d6 to determine the material: 1:bone, 2:wood, 3:stone, 4:flawed crystal, 5:pearl, 6:jade |
| 2   | 66   | A stone tablet with names of ancient knights   | 2   | 91   | A hand puppet that very much resembles another party member  |
| 2   | 67   | A wooden box filled with dried leaves from the High Forest   | 2   | 92   | leather codpiece that bears an inscription in a strange language   |
| 2   | 68   | A small, finely polished geode whose crystals slowly fade between every color of the spectrum  | 2   | 93   | Beard Comb made in Gauntlgrym  |
| 2   | 69   | A heavy rust-covered metal rod that whispers words only you hear   | 2   | 94   | An arrowhead made by a dead elven tribe  |
| 2   | 70   | Tin marionette dragon  | 2   | 95   | A halfling sized set of breeches   |
| 2   | 71   | A shard of glass that was said to come from the Abyss  | 2   | 96   | An old scratched monocle which shows an underwater landscape whenever someone looks through it   |
| 2   | 72   | A rod of rune-etched copper which glows green in the presence of powerful necromantic magic  | 2   | 97   | An orcish phrasebook containing only the phrases for food, enemy, and fight  |
| 2   | 73   | A finely crafted beard plate to armor a beard or worn as jewelry   | 2   | 98   | A stuffed Tarrasque doll   |
| 2   | 74   | A small wooden sail cart toy   | 2   | 99   | A silk flower that seems real from more than two feet away   |
| 2   | 75   | Metal rank insignia from an ancient kingdom or war   | 3   | 00   | A pink wyvern stinger  |

## TRINKETS 301-350

| d10 | d100 | Trinket   | d10 | d100 | Trinket  |
|-----|------|---|-----|------|--|
| 3   | 01   | A small silver figurine that, when given away, will return to your pocket after 1d6 minutes   | 3   | 27   | Mirror made of black obsidian that shows those who glance into it in monochrome  |
| 3   | 02   | bracelet, appears as if two snakes are entwined, one red, one blue  | 3   | 28   | A "magical" acorn  |
| 3   | 03   | A wolf-skin fur cloak that sometimes causes the wearer to growl under his breath  | 3   | 29   | A scroll case and scroll scribed with an unfinished spell  |
| 3   | 04   | A pearl carved into a winter wonderland forest scene  | 3   | 30   | A belt made from the preserved tentacle of a Displacer Beast   |
| 3   | 05   | A crystal ball, when looked into the person sees themselves reflected but looking 10 years younger  | 3   | 31   | Wooden figurine of a 5 legged beast with no head and one arm   |
| 3   | 06   | A necklace made with githyanki finger bones   | 3   | 32   | A 5-inch length of enchanted string. It tries to constrict the most nearby living person, acting somewhat like a snake             |
| 3   | 07   | Pocket-sized Orc-to-Common phrase book; it's not very long at all   | 3   | 33   | A jar of gooey salve with small eyeballs in it. It heals magical blindness over the course of ten minutes                          |
| 3   | 08   | A broken harlequin mask   | 3   | 34   | The last page of an unknown diary containing only the words "close the door" written in what appears to be blood                   |
| 3   | 09   | Canning Jar labeled Vial of Orc Sweat   | 3   | 35   | baby rattle, made of hollowed bone, textured pattern   |
| 3   | 10   | A belt which always fits  | 3   | 36   | A harp which strings play notes you can only hear after sunset   |
| 3   | 11   | A small crate box filled with burlap sacks of different exotic coffee beans   | 3   | 37   | An ink drawing of an elven goddess shooting a dragon with a bow  |
| 3   | 12   | A silver spoon with a handle shaped like a medusa   | 3   | 38   | A lady's coin purse containing two sharp fangs   |
| 3   | 13   | A small rent in the side of an iron ring almost split the band in twain. The repair-while not crude-is clearly visible                            | 3   | 39   | A fire drake scale that is always warm to the touch  |
| 3   | 14   | A small vial that is always filled with the smell of autumn wind  | 3   | 40   | A pegasus feather fan  |
| 3   | 15   | A pocket square monogrammed dwarven initials and yellowed with age  | 3   | 41   | A scarf of extraordinary length and multiple colors  |
| 3   | 16   | A single drop of lamp oil sealed in a glass bead  | 3   | 42   | A stranger's amulet depicting a lion's head. While worn, you forget the names of people you know, but still feel their familiarity |
| 3   | 17   | An icecube that never melts   | 3   | 43   | A small sphere, about fist-sized, half red and half white, with a black band tying the two halves together                         |
| 3   | 18   | A truly ancient clay jug, stoppered with cork and wax. The lower half is caked with dried mud and the upper half is covered in salt and barnacles | 3   | 44   | A scalp, the skin is slightly green  |
| 3   | 19   | A small sea conch with the words "From the beginning" painted on the lip  | 3   | 45   | A wooden carving of a strange unknown beast  |
| 3   | 20   | A silver and glass inkwell that cannot spill  | 3   | 46   | A mug that points the way to the nearest tavern when it is spun on a table   |
| 3   | 21   | A writ of induction into a secret society, bound in gold thread   | 3   | 47   | A candle whose flame produces no heat nor can it be extinguished or transfer its flame   |
| 3   | 22   | Jar of dried seeds. Each is green with a red spot on one side   | 3   | 48   | A large tooth with a channel running through. Now dry, it once came from a creature that used venom to paralyze or poison          |
| 3   | 23   | A tiny bellows mechanism  | 3   | 49   | A pouch filled with defiler ash  |
| 3   | 24   | Signet ring with a rose   | 3   | 50   | A leather-bound book full of pages made of dried leaves  |
| 3   | 25   | An origami bird is made of paper and re-folds itself overnight if unfolded  |     |      |  |
| 3   | 26   | A club made out of a twisted ogres thigh bone   |     |      |  |

## TRINKETS 351-400

| d10 | d100 | Trinket  | d10 | d100 | Trinket   |
|-----|------|--|-----|------|---|
| 3   | 51   | An odd red badge in the shape of a hunting bird's head   | 3   | 76   | A bottle of a perfume that smells like summer in the forest   |
| 3   | 52   | Three short strands of lead wire braided together  | 3   | 77   | A brass coin with a skull scratched into the tails side   |
| 3   | 53   | A small glass cube filled with a faintly luminescent blue fluid that seems somehow sentient          | 3   | 78   | Piece of cloak from the tower of high sorcery   |
| 3   | 54   | A list of people's names, it gets to four people and then the fifth is smudged and crossed through   | 3   | 79   | A pair of copper snake earrings of elven design   |
| 3   | 55   | A small obsidian rooster which crows loudly at dawn. Only heard by the current owner                 | 3   | 80   | A table knife, sharp on one side. Can deal 1 point of slashing damage, and glows blue for 1 minute afterwards                       |
| 3   | 56   | Piece of goblin chalk -markings last one week & can only be seen by those w/ darkvision              | 3   | 81   | Single fishwood torch. As normal torch but needs no oxygen, can even burn underwater  |
| 3   | 57   | Heirloom rings for beards  | 3   | 82   | An eye-sized blue pearl that floats in salt water   |
| 3   | 58   | A pocket blue lantern, international sign of distress among sailors                                  | 3   | 83   | An hourglass with blue and orange sand; it seem to have been frozen in time   |
| 3   | 59   | An unremarkable bronze wedding band made for someone without much money, and inscribed with a date   | 3   | 84   | A small glass bird that when set down near water dips its head in as if to get a drink  |
| 3   | 60   | Etching of a dwarven funeral poem  | 3   | 85   | Chain taken from a gnomish grape presser  |
| 3   | 61   | A jar of oil with a troll finger floating inside   | 3   | 86   | A piece of a castle wall with a map chalked onto one side   |
| 3   | 62   | Prayer idol that looks like it is from a prehistoric time  | 3   | 87   | A roc's feather   |
| 3   | 63   | Perfectly accurate compass points north and south with identical ended and indistinguishable needles | 3   | 88   | A rock that projects colored light onto surfaces, such as walls, ceilings, or tree canopies   |
| 3   | 64   | A vial that contains silt from the bottom of the silt sea  | 3   | 89   | oversized gold coin from ancient civilization, depicts large, pillared structure on one side, long haired, bearded man on the other |
| 3   | 65   | A petrified heart that leaks an oily black substance   | 3   | 90   | A single, all blue, piece for a jigsaw puzzle   |
| 3   | 66   | A flag for a country which no longer exists  | 3   | 91   | A piece of wax imprinted with the image of a noble  |
| 3   | 67   | A glass jar containing the preserved corpse of an unfamiliar aquatic creature                        | 3   | 92   | A mirror that only shows the back of your head  |
| 3   | 68   | A bouncing ball made of a strange spongy wood  | 3   | 93   | Seashell with an inscription in runes that has faded over time  |
| 3   | 69   | A small frozen glass-like flame that subtly melts and refreezes, morphing over time                  | 3   | 94   | A lock of giant hair  |
| 3   | 70   | A child's drawing of a house on a hill, with a smiling sun in the sky                                | 3   | 95   | A crumpled piece of parchment with an inked grid. Can be written on and then erased if crumpled again. 1974 charges remain          |
| 3   | 71   | A chess piece fashioned to look like fire myrmidon   | 3   | 96   | A scroll with a spell written incorrectly on it   |
| 3   | 72   | Badge of rank that fell from the Flying Citadel  | 3   | 97   | Glass teardrop pendant with mini-fireflies that light up and fly inside when it's dark  |
| 3   | 73   | A small wooden statue of a small halfling like creature you've never seen before                     | 3   | 98   | A lantern that glows black, making previously lit places dark   |
| 3   | 74   | A roll of old, bandage that has been inked with strange pictograms                                   | 3   | 99   | Giant sized lace glove for formal dress. Left only  |
| 3   | 75   | A vial with three pinches of cumin in it   | 4   | 00   | A small lifelike painting of an elven woman casting a spell   |

## TRINKETS 401-450

| d10 | d100 | Trinket   | d10 | d100 | Trinket   |
|-----|------|---|-----|------|---|
| 4   | 01   | A small velvet lined jewelry box which screams when opened  | 4   | 26   | A small toy boat made with a walnut shell, toothpick, and piece of cloth  |
| 4   | 02   | 5 oz bottle of common perfume of a non-exotic scent. Is generic enough to be appropriate for both genders | 4   | 27   | Pixie scissors  |
| 4   | 03   | Two feet of catgut with knots tied every four inches  | 4   | 28   | A caltrop painted in bright pink  |
| 4   | 04   | The hilt from a great two handed sword, broken off at the guard, the gems pryed out from the pommel       | 4   | 29   | A creepy deformed very ancient doll   |
| 4   | 05   | A tiny sketch of a small humanoid the likes of which you've never seen                                    | 4   | 30   | A perfectly smooth stone which, when pressed, turns blue for 5 minutes  |
| 4   | 06   | A green leather pouch full of berries that will never rot   | 4   | 31   | A wooden code cylinder that shows only the number 7 on all dials  |
| 4   | 07   | A gnome's traveling journal. All pages are taken up by lewd drawings                                      | 4   | 32   | A leather necklace lined with troll fangs   |
| 4   | 08   | Tarnished old dog whistle. Can only be heard by mad or rabid dogs   | 4   | 33   | A wooden puzzle box that cannot be solved   |
| 4   | 09   | A copper piece with a bearded king that no one recognizes on one side and a columned temple on the other  | 4   | 34   | An eleven sided die that will not stop rolling once rolled unless it's picked up  |
| 4   | 10   | A small wooden box sealed with a paper ribbon, and a label that says "A piece of the fallen gods."        | 4   | 35   | Travel ticket for a trip "around the world"   |
| 4   | 11   | A bronze oil lamp with Rub Me inscribed on the bottom   | 4   | 36   | A list of 33 elven racial slurs for orcs  |
| 4   | 12   | A genie's veil  | 4   | 37   | A bag of one-hundred marbles, ninety-nine are white and the other is black  |
| 4   | 13   | Solid gold idol of a dretch   | 4   | 38   | A wooden bear toy that screams loudly when in the immediate presence of fire  |
| 4   | 14   | A pair of bronze scissors in the shape of a pair of leaping dolphins                                      | 4   | 39   | A small hand mirror which only reflects inanimate objects   |
| 4   | 15   | A map with a large patch of ocean torn out  | 4   | 40   | Novelty cards. Roll 1d4 to determine appearance -- 1:unusual illustrations, 2:non magical recreation of a deck of illusions, 3:non magical recreation of a deck of many things, 4:tarot cards |
| 4   | 16   | A lump of coal that appears to be burning but sheds no heat and is never consumed                         | 4   | 41   | A skull of a Pristine Tower warped creature   |
| 4   | 17   | A tiny vial of gold dust the size of a fingernail   | 4   | 42   | gold hooped earring with small silver chain with red ruby clutched in a claw  |
| 4   | 18   | Vial with a nymph tear  | 4   | 43   | A jar of ink that seems like perfectly normal ink, but when used, it takes a 12 hours to appear   |
| 4   | 19   | Six small, badly carved, goblin figures   | 4   | 44   | Brass tongs whose end glow as if freshly pulled from the forge, but are cool to the touch   |
| 4   | 20   | A small empty book wrapped in a red velvet covering, embroidered with a the sign of an open hand          | 4   | 45   | A ceramic disk in the shape of the sun  |
| 4   | 21   | Feather from a Pegasus  | 4   | 46   | A smooth stone that, when held, removes all fear of heights   |
| 4   | 22   | A clay dove mounted inside a wooden cage  | 4   | 47   | Glass sphere containing a shimmerweed flower  |
| 4   | 23   | A golden bracelet, engraved with elvish words commemorating the unity of two great elven houses           | 4   | 48   | A tiny doll depicting a blonde, blue eyes child, when placed down it's eyes appear to follow people   |
| 4   | 24   | A small mechanical snapping turtle  | 4   | 49   | gold rimmed monocle causes everything to look 100 feet more distant, but hostile creatures are highlighted as if due to faerie fire   |
| 4   | 25   | A small round coin with a hole in it made of a strange black metal  | 4   | 50   | A small, clay square with an unknown rune etched into one side  |

## TRINKETS 451-500

| d10 | d100 | Trinket  | d10 | d100 | Trinket   |
|-----|------|--|-----|------|---|
| 4   | 51   | A small cube made of fish bones with a glass marble in the center  | 4   | 76   | Claw from a white dragon with three marks carved on its surface   |
| 4   | 52   | A small crystal globe that dimly glows yellow during the day and white at night  | 4   | 77   | A map of a fictional city, anyone who sleeps near the map dreams of exploring a fantastic city  |
| 4   | 53   | A lock of white drow hair  | 4   | 78   | A religious icon that once belonged to an ancestor  |
| 4   | 54   | An ink pot that never spills   | 4   | 79   | A small glass rod that float and, when put in water, it points north  |
| 4   | 55   | An unusually well-made ink pen, made of metal. It's make does not affect writing quality but offers slightly superior ergonomics                         | 4   | 80   | A pinecone painted with glitter and gold on a small loop of twine   |
| 4   | 56   | A small sundial with a wristband   | 4   | 81   | A twenty sided die with blank faces   |
| 4   | 57   | Piece of weird fruit from a sunless goblin orchard deep underground  | 4   | 82   | A carving of a Draconian that was made from a branch of a tree from Solace  |
| 4   | 58   | A carved stick, it's a two-foot long length of scorched oak is burnt almost to charcoal at its tip. It yet feels warm to the touch                       | 4   | 83   | A six sided die that only rolls 2s  |
| 4   | 59   | Flint and steel that, when used to start a fire, creates a random colored flame  | 4   | 84   | Book with halfling poems, some with a distinctly homoerotic slant   |
| 4   | 60   | Happy Frog scald salve   | 4   | 85   | Knife made from the tooth of a purple worm  |
| 4   | 61   | Tea bags stamped with an image of an ape king in a crown   | 4   | 86   | Four dried corn kernels sealed in an amber sphere   |
| 4   | 62   | A ring that disappears when worn but can still be felt and removed   | 4   | 87   | Unfinished diary by unknown author  |
| 4   | 63   | A small music box made of brass. It features a pair of tiny automatons that resemble Azer working at a forge   | 4   | 88   | A shrunken head   |
| 4   | 64   | A slender wooden twig which cannot be broken by any man  | 4   | 89   | A piece of cloth that absorbs any material staining it, becoming fully clean over the course of an hour                                 |
| 4   | 65   | A spinning top with an image of one of the four elements on each side  | 4   | 90   | A glass bead, hardened by psionics  |
| 4   | 66   | An oddly shaped, small stuffed toy depicting a goblin, sometimes it seems to wink at the owner   | 4   | 91   | A holy symbol of an elemental priest of water   |
| 4   | 67   | A wooden crow with a compartment for a small note  | 4   | 92   | Half of templar's amulet depicting the sorcerer king Hamanu   |
| 4   | 68   | Pocket-size magnet. Attracts wood instead of steel   | 4   | 93   | A hessian sack full of bird feathers in the most fantastic colours imaginable   |
| 4   | 69   | A small leather pouch of pebbles that rattles audibly whenever there is an avalanche or significant other geological movement about to occur in the area | 4   | 94   | A single hair in a vial, possibly a whisker, with black and white stripes along its length  |
| 4   | 70   | A sack of owlbear feathers   | 4   | 95   | Big noxious cigar. Orc "Tobacco" (Fungus, really) wrapped in a suicide note   |
| 4   | 71   | A medal for cowardice  | 4   | 96   | A small charm made out of seashells strung onto a piece of leather thonging   |
| 4   | 72   | Selachian harpoon head with leather strap  | 4   | 97   | A gyroscope with a diamond set in the center and rubies on each end of the main axel  |
| 4   | 73   | Seven sided die. Looks like a d6 but as your turn it there are 7 distinct numbers 1-7 on the faces   | 4   | 98   | A small handkerchief that is capable of absorbing and holding four pints of fluid, it can be wrung out at any time to release the fluid |
| 4   | 74   | A quill that will not write no matter the ink or amount used   | 4   | 99   | A thri-kreen antennae   |
| 4   | 75   | A small rabbit-fur pouch filled with ceremonial herbs and incense  | 5   | 00   | A rag doll in the likeness of an owlbear  |

## TRINKETS 501-550

| d10 | d100 | Trinket  |
|-----|------|--|
| 5   | 01   | A hand mirror that reflects an unknown eye at all times  |
| 5   | 02   | A wooden dresser with a secret compartment   |
| 5   | 03   | A stone scarab beetle  |
| 5   | 04   | A tiny silver knife etched with ivy patterns   |
| 5   | 05   | A heavy iron key bearing the name of a ship long lost to the sea   |
| 5   | 06   | A fist-sized lump of moss that seems to be breathing   |
| 5   | 07   | A book of half finished maps that gently weeps when left unattended  |
| 5   | 08   | A locket containing a picture of an ogre and a manticores  |
| 5   | 09   | A small collapsible silver cup that perspires constantly when opened   |
| 5   | 10   | A jar of jam, half eaten. On the jar is written Mason's Do Not Eat   |
| 5   | 11   | Brass coin bearing the profile of a woman with bird's wings for ears   |
| 5   | 12   | A small tin containing fish eggs   |
| 5   | 13   | A square of soft leather that tarnishes any metal object wrapped in it                                       |
| 5   | 14   | Pumice piece that is always moist  |
| 5   | 15   | A pearl resembling 1/2 a human eye   |
| 5   | 16   | A reel of thread that never frays  |
| 5   | 17   | The Book of Common Prayer for Lawful religions. Pocket-sized.  |
| 5   | 18   | Pair of six sided dice that will only roll 3s and 4s (each will roll 3 or 4 pips but never any other number) |
| 5   | 19   | A small stone, that briefly glows bright white every third day   |
| 5   | 20   | A needle made from an imp stinger  |
| 5   | 21   | Crossbow built for a doll. 1d1 damage. Disadvantage v. any covering  |
| 5   | 22   | A pair of leather gloves embroidered with leaf designs   |
| 5   | 23   | A perfectly cubed blue-and-black-marbled gem   |
| 5   | 24   | A ring of burnished silver has patches of obvious wear, nicks and scratches                                  |
| 5   | 25   | A one-eyed little fish inside vial, the fish was much bigger than the vial                                   |

| d10 | d100 | Trinket   |
|-----|------|---|
| 5   | 26   | An old, filthy silver spoon with blood still staining both ends   |
| 5   | 27   | Velvet pouch with a set of playing cards, each loyalty card has an illustration of a different variety of fiend                         |
| 5   | 28   | A small metallic rod that glows faintly when held aloft   |
| 5   | 29   | Pink apron with "Seasoned adventurers have better taste!" written on it   |
| 5   | 30   | A 6" piece of pipe with protrusions like a key  |
| 5   | 31   | A small piece of bronze hammered into the form of a bearded dwarf's head  |
| 5   | 32   | The fire-blackened claw of some great beast   |
| 5   | 33   | A glass eye. Horizontal hourglass pupil like a goat   |
| 5   | 34   | A metal tankard with a hammer and the initials T. E. engraved on it   |
| 5   | 35   | Night-blue silk robe with tiny sparkles that seem to shimmer like stars   |
| 5   | 36   | A small metal dragon. If you press it's tail, it spits a small blue flame   |
| 5   | 37   | A locket containing a picture of young halfling couple  |
| 5   | 38   | A halfling war fetish with dried blood on it  |
| 5   | 39   | A glass jar containing a harmless clear gel   |
| 5   | 40   | A small gaming set with instructions in an incomprehensible language  |
| 5   | 41   | A conch shell which is always damp and constantly drips saltwater   |
| 5   | 42   | A furry, feathery pouch made from the hide of an owlbear  |
| 5   | 43   | A smooth cylinder made from Zurkwood  |
| 5   | 44   | A circular stone covered in tiny, almost imperceptible engraved patterns  |
| 5   | 45   | Bandana that has a strange symbol in the fabric   |
| 5   | 46   | A heavy metal coin that floats on water   |
| 5   | 47   | A hefty piece of magnetic ore that fell from the skies  |
| 5   | 48   | A small jewelry box containing three perfectly round and smooth stones  |
| 5   | 49   | A clear marble that slowly rolls toward the nearest source of running water   |
| 5   | 50   | A paper with rocks and scissors pictured. Can be transformed into scissors rock or back with the proper hand shape and uttering "Shoot" |

## TRINKETS 551-600

| d10 | d100 | Trinket  | d10 | d100 | Trinket  |
|-----|------|--|-----|------|--|
| 5   | 51   | An intricately carved wooden rose  | 5   | 77   | A ceramic mug with a jovial man's face sculpted into the side. When filled the face cries whatever liquid it's filled with   |
| 5   | 52   | Wax Sealed Jewelry Box   | 5   | 78   | An intricately detailed figurine posed as though singing to an audience on a balcony above her. Her eyes sparkle with tiny jewels to make it appear that she is crying |
| 5   | 53   | A hempen anklet that does not need to be tied  | 5   | 79   | A unbreakable sealed jar of glowing water that hums when shaken  |
| 5   | 54   | Music box. Plays orc music   | 5   | 80   | Clay figurine that seems to change shape when not observed   |
| 5   | 55   | One sock riddled with holes which attracts vermin when worn  | 5   | 81   | The pickled tentacle of an illithid  |
| 5   | 56   | A yellow gemstone that glows dimly when a storm is nearby  | 5   | 82   | A rag doll dressed in clothes from another time  |
| 5   | 57   | Rubber elf ears  | 5   | 83   | A tiny gold filigree birdcage suspended from a single strand of golden thread. Something within the cage emits a brilliant ruby red light                              |
| 5   | 58   | A small, gleaming metal porcupine figure with spines that are extremely sharp and never go blunt                                     | 5   | 84   | Bell from a fool's cap   |
| 5   | 59   | A metal tube about 6 inches long. When you press a button, a narrowly-focused beam of colored light shoots out from it               | 5   | 85   | An artificial nose made of copper that has a leather thong attached to it  |
| 5   | 60   | A lucky rabbit's foot with a "Made in Caerbannog" label  | 5   | 86   | A facsimile of a human skull made from interwoven oak twigs  |
| 5   | 61   | A recorder carved from brilliant white ash   | 5   | 87   | A dwarven beard ring   |
| 5   | 62   | A glass pendant with a hole in the center that a mild breeze always blows out of   | 5   | 88   | A small pot containing yellow ink, when used it is barely readable but becomes progressively darker as time passes until eventually it is black                        |
| 5   | 63   | Mask from a dance troupe. Its exaggerated expression changes when you flick it   | 5   | 89   | Two sharp teeth from a large predator bound together with leather  |
| 5   | 64   | Wooden Spoon used in Gully Dwarf cooking, it's large enough to be used as a club   | 5   | 90   | A small glass orb containing sea water, it grows murky when their will be a storm at sea   |
| 5   | 65   | A frost-covered silver locket that's frozen shut   | 5   | 91   | A handkerchief of waterproof fabric  |
| 5   | 66   | A silver thimble engraved with the image of a rose   | 5   | 92   | A tiny soapstone octopus that slowly absorbs water   |
| 5   | 67   | Stone Tablet etched with rules for a drinking game   | 5   | 93   | A studded bracer that just seems magical somehow   |
| 5   | 68   | A clay tobacco pipe that produces animated puffs of smoke when used. The plumes depict an assortment of animals, people, and objects | 5   | 94   | A kami doll that has been painted all black  |
| 5   | 69   | A monkey's tail  | 5   | 95   | Page from the manual of a gnome device. Numerous footnotes and references make it nearly impossible to decipher  |
| 5   | 70   | A 6" piece of dolphin leather  | 5   | 96   | An intricate clockwork crow that stands frozen in a quizzical pose, as though gazing at something interesting just above your head. The figure is 4" tall              |
| 5   | 71   | A broken silver trade bar. The jagged edge of matching silver halves constantly emanates faint trails of smoke                       | 5   | 97   | A faceless doll made of driftwood  |
| 5   | 72   | A small silver bell that makes a faint sound like distant thunder when it's struck   | 5   | 98   | A divining rod that wiggles when near graves   |
| 5   | 73   | A book filled with writing that only appears when the book is held underwater  | 5   | 99   | A pair of excruciatingly detailed false glass eyes, in grey and green. While held or placed on a solid surface, they gradually turn to face each other                 |
| 5   | 74   | Tooth from a Unicorn that has been drilled and threaded onto a bright braided string   | 6   | 00   | Single gold piece with no portrait. Dated seven years in the future  |
| 5   | 75   | Brass Peacock with Ruby Eyes   |     |      |  |
| 5   | 76   | A convincing replica of a large ruby, made entirely of crystallized sugar  |     |      |  |

## TRINKETS 601-650

| d10 | d100 | Trinket  | d10 | d100 | Trinket  |
|-----|------|--|-----|------|--|
| 6   | 01   | A wineskin with a silver bears head as a drinking spout  | 6   | 26   | An elven rattle made from a tortoise shell   |
| 6   | 02   | Three triangular platinum coins bearing the marks of an unknown kingdom  | 6   | 27   | An antique wooden box engraved with a forest scene. Fills with chocolate treats once a week      |
| 6   | 03   | Cigar box containing a complete suit of plate armor, a shield, a lance, a flail, and a sword- all scaled for someone 3.75" tall                              | 6   | 28   | The carapace of a breathtakingly beautiful beetle  |
| 6   | 04   | A bone key of drow design  | 6   | 29   | Miniature playing cards each of which has two backs and no faces                                 |
| 6   | 05   | A freshly-excavated humanoid skeleton the size of your hand  | 6   | 30   | A seal which imprints a mysterious, unknown coat of arms into hard rock                          |
| 6   | 06   | A piece of crystal that lightly vibrates   | 6   | 31   | A three-sided coin, each time it's flipped or turned another face appears                        |
| 6   | 07   | A blunt carving knife with the word 'toothpick' in the language of giants carved into the handle   | 6   | 32   | A torch that burns but casts no light, produces no heat and never expires                        |
| 6   | 08   | Small ear trumpet  | 6   | 33   | A complex, but delicately made, marble maze puzzle   |
| 6   | 09   | A small whale tooth with etched with an image of waves crashing upon a beach   | 6   | 34   | A flat stone with white chalk marks that change each time it is observed                         |
| 6   | 10   | A large emerald cut in the shape of a baby pickle  | 6   | 35   | A rusted fork that gently warms any food picked up with it                                       |
| 6   | 11   | A glass sphere with a piece of the ice inside it, on a chain   | 6   | 36   | An elven gardening spade, depicting a broad leaf as its blade                                    |
| 6   | 12   | Scale from a sea serpent- feels like heavy iron, floats like cork  | 6   | 37   | Worn pack of cards, it shuffles itself automatically when placed into its box                    |
| 6   | 13   | A razor-sharp piece of metal wrapped in a bloody bandage   | 6   | 38   | Half of a palm-sized geode that pulses dimly with purple light                                   |
| 6   | 14   | A sand timer that drops a single grain each day  | 6   | 39   | A glass bone   |
| 6   | 15   | A sack of pony teeth   | 6   | 40   | A deep blue piece of flint, that when struck with steel produces not a spark but a drop of water |
| 6   | 16   | A tapestry depicting a mythological scene  | 6   | 41   | A preserved cockatrice head  |
| 6   | 17   | A small stuffed vole   | 6   | 42   | A broken bell that rings with the sound of lost love   |
| 6   | 18   | Gold from a dragon's horde, fused into a blob by his heat & weight (1d6 GP)  | 6   | 43   | A thri-kreen stone axe that emits a ringing sound when hit                                       |
| 6   | 19   | A gold finger band that has three small glimmering stones set within; two glow with a faint reddish light while the third glows with a pale white luminosity | 6   | 44   | Beer mat from the High Hand Inn  |
| 6   | 20   | A preserved eyeball with a label attached saying 'Eye of Lich.'  | 6   | 45   | A slender wine glass made of stained bone, rimmed with gold                                      |
| 6   | 21   | A set of bone dice that emit an eerie cackling when rolled   | 6   | 46   | Tome of goblin art bound in skin of an unknown origin  |
| 6   | 22   | Painted metal figurine of a frost giant, missing one arm   | 6   | 47   | spice shaker, thick glass with silver top, contains salt now                                     |
| 6   | 23   | Scale from a modern sea beast, discolored, misshapen, horrible   | 6   | 48   | A treasure map written on parchment with names of places you've never heard of                   |
| 6   | 24   | A red and black Aarakocra feather  | 6   | 49   | A fake moustache, when worn it adheres to the wearer and has to be shaved off                    |
| 6   | 25   | Matchbox with a live cricket in it   | 6   | 50   | Book of spider anatomy   |

## TRINKETS 651-700

| d10 | d100 | Trinket   | d10 | d100 | Trinket  |
|-----|------|---|-----|------|--|
| 6   | 51   | A parchment flip book showing a knight galloping on a horse   | 6   | 76   | An minotaur horn carved with the map of a village on it  |
| 6   | 52   | A nearly-empty tube labeled "flying ointment" with a single solitary glob left in it                | 6   | 77   | A small pillow stuffed with soft feathers  |
| 6   | 53   | A receipt confirming payment for a resurrection spell at a large temple                             | 6   | 78   | A hand sized bell with no clapper but it still rings when played   |
| 6   | 54   | A horseshoe that never becomes worn or needs replacing  | 6   | 79   | A whistle made of bone   |
| 6   | 55   | A small piece of rock that floats almost imperceptibly above the ground                             | 6   | 80   | Small bottle of olive oil  |
| 6   | 56   | A tarot-sized card whose face shows the last meal eaten by its holder                               | 6   | 81   | A tiny key made of worn brass. It hangs upon a similarly worn neck chain. Several faint runes decorate the key's bow but they are now unreadable |
| 6   | 57   | A snail shell containing a viscous green liquid   | 6   | 82   | An extremely small metal bucket, the size of a thimble, but with a handle the same as a normal pail  |
| 6   | 58   | A mining pick made from bone  | 6   | 83   | A ransom note for a long-lost relative of yours  |
| 6   | 59   | A clothes brush that can clean a set of clothes just by touching it                                 | 6   | 84   | A gold hexagonal prism filled with dead but moving ants  |
| 6   | 60   | A small black cube that projects the image of a spider driven saucer when placed on a level surface | 6   | 85   | Single piece of goblin candy. Hard as a rock & tastes like paint thinner drunk from a dirty ashtray  |
| 6   | 61   | Shipman's whistle   | 6   | 86   | A tuning fork made from a dark metal which glows with a pale, white light during thunderstorms   |
| 6   | 62   | A red woolen cap that appears to be stained with blood  | 6   | 87   | Copper coin bearing the profile of a man with no eyes  |
| 6   | 63   | A set of dice with elemental symbols and primordial runes instead of pips or numbers                | 6   | 88   | Broken half of a manacle   |
| 6   | 64   | A white stag carving that has been half burned  | 6   | 89   | Fancy leather dice cup with no dice  |
| 6   | 65   | An hourglass filled with glowing sand that falls slower or faster than it should                    | 6   | 90   | A templar amulet from the candlekeep   |
| 6   | 66   | An IOU confirming that an unnamed farmer owes you three suckling pigs                               | 6   | 91   | A drinking cup, that randomly fills with fresh or salt water. Refilling once emptied   |
| 6   | 67   | The ace of tears from a card deck. One edge of the card is soaked in blood that never dries         | 6   | 92   | A small box containing the complete skeleton of a snake  |
| 6   | 68   | A small orange flag with crossed scimitars in black on it   | 6   | 93   | An eight sided die that only rolls 2s  |
| 6   | 69   | A wooden coin that weighs and sounds like metal   | 6   | 94   | A piece of black stained parchment that pertains to be a map of the Underdark  |
| 6   | 70   | A set of tarot cards depicting each figure on the cards as a skeleton                               | 6   | 95   | Goggles bearing the mark of the Blue Circle Traders Guild  |
| 6   | 71   | A wooden toy in the shape of a centaur  | 6   | 96   | Cigar box. Empty except for an auction receipt for 162.5 GP  |
| 6   | 72   | Totem carved from cooled lava   | 6   | 97   | A map of a world that does not at all match any other map in any way   |
| 6   | 73   | A monocle. Looking through it inverts the colors of what you see                                    | 6   | 98   | A grease smeared folio of hand-drawn fish pornography  |
| 6   | 74   | Crest from the helmet of a draconian  | 6   | 99   | A flint and tinder that causes any fires light with it to be purple in color   |
| 6   | 75   | A sliding puzzle which, when solved, spells out "derf"  | 7   | 00   | vial of deep red ink, hint of glittery material in the ink   |

## TRINKETS 701-750

| d10 | d100 | Trinket  |
|-----|------|--|
| 7   | 01   | Shabby hand-crafted ceramic mug, "Wurldz gratest Worelord" engraved  |
| 7   | 02   | Quiet Bell. This silver hand bell prevents all sound within 1 foot   |
| 7   | 03   | A four sided die that only rolls 2s  |
| 7   | 04   | White crayon and 1d6 weird dice, all in a green velvet pouch   |
| 7   | 05   | A leather amulet with a strange rune on it   |
| 7   | 06   | Folded parchment containing an intricate diagram of a complex machine of unknown origin and purpose                                    |
| 7   | 07   | A single rose, the color of blood that never seems to wither or require water  |
| 7   | 08   | Two kitten whiskers pressed and sealed between two glass plates  |
| 7   | 09   | A small black box with a tied down lid. Inside is a greyish powder that audibly screams nonstop when it comes in contact with sunlight |
| 7   | 10   | A glass lens set in a cheap metal rim. The glass is scuffed, but it makes reading slightly easier on weak eyes                         |
| 7   | 11   | A glass eyeball that looks about of its own accordance   |
| 7   | 12   | A ceremonial dagger given to free a gladiator slave  |
| 7   | 13   | A wooden box, in which is nestled petrified egg with the label "Pixie Egg"   |
| 7   | 14   | A dried esper weed flower  |
| 7   | 15   | A metal branding iron showing the design of a dragon's wing  |
| 7   | 16   | A failed adventurer's suicide note. "I should have died down there with the others..."   |
| 7   | 17   | Twenty-two very small silver tokens, each with a happy face painted on them  |
| 7   | 18   | Zinc rod with a flawed ruby set in one end and a piece of amber in the other   |
| 7   | 19   | Blueprints for a auto-reloading crossbow that wouldn't work  |
| 7   | 20   | A pair of tetrahedral clay dice that always add up to five when rolled together  |
| 7   | 21   | Book of troll jokes with singed pages  |
| 7   | 22   | A clay teapot that fills itself with fresh hot tea every morning   |
| 7   | 23   | Two wooden children's dolls: one elf and one orc; each armed with a tiny sword   |
| 7   | 24   | Wind chimes that glow when the wind blows  |
| 7   | 25   | An articulated toy centipede with 99 legs  |

| d10 | d100 | Trinket   |
|-----|------|---|
| 7   | 26   | A miniaturized poppy garden that fits in your pocket  |
| 7   | 27   | A small stone that shifts through the color spectrum over the course of a week  |
| 7   | 28   | A blocky red crystal  |
| 7   | 29   | A leather drawstring pouch filled with a dozen perfectly spherical polished wood chips. The chips stick together as though magnetic, but come apart again with almost no effort |
| 7   | 30   | A tiny adamantine box of curiously strong mints. Refills every week   |
| 7   | 31   | A piece of petrified wood carved into the shape of a seashell   |
| 7   | 32   | A tube carved of cedar wood, when you speak through it, the volume of your voice is amplified   |
| 7   | 33   | A stone statue of a god with an creature's head   |
| 7   | 34   | A fur-lined cap that looks like a pile of leaves  |
| 7   | 35   | A Flower, in a glass vial that heats up when a certain word is spoken   |
| 7   | 36   | An ugly perfume box which releases monster pheromones once per week   |
| 7   | 37   | The script for a never-published play about an author going mad, the writing gets noticeably less neat and more frantic, eventually stopped before the final page               |
| 7   | 38   | A rock with a patch of curious purple moss  |
| 7   | 39   | A scold's bridle  |
| 7   | 40   | pair of bone knitting needles, they clack against each other when left on a surface   |
| 7   | 41   | A fashionable domino mask   |
| 7   | 42   | The desiccated body of a small eight-legged black lizard  |
| 7   | 43   | Origami dragon made from a (used, blank) spell scroll   |
| 7   | 44   | A small set of bones, looks like a complete humanoid, in a tiny 2 inch coffin   |
| 7   | 45   | A live tarantula trapped inside a glass sphere  |
| 7   | 46   | The upper portion of the skull of a creature. It appears to be threaded as if it was once screwed into place  |
| 7   | 47   | A dull spoon engraved with the name Heartseeker   |
| 7   | 48   | A hand mirror that shows everyone's reflection except your own  |
| 7   | 49   | A soldier doll of an empire long-forgotten  |
| 7   | 50   | Pearl that has a shadowy silhouette dancing inside it   |

## TRINKETS 751-800

| d10 | d100 | Trinket  | d10 | d100 | Trinket   |
|-----|------|--|-----|------|---|
| 7   | 51   | A scroll titled: Properly Attacking, Subduing, and Dispatching a Dragon of Any Color by Lord Pepping IV  | 7   | 76   | A map of a forested area indicating the locations of various wolf dens  |
| 7   | 52   | A circular sheet of crystal that reveals elven constellations when the stars are seen through it   | 7   | 77   | A small and rusty pocket watch. The clock moves imperceptibly slowly, it shows a slightly different time each day                                     |
| 7   | 53   | A small wooden doll of a half-orc girl   | 7   | 78   | A tea kettle that heats itself when filled with water   |
| 7   | 54   | A set of toy metal soldiers, each immaculately modelled to depict the livery of some forgotten nation  | 7   | 79   | A tailbone from a Bronze Dragon, that starts to sparkle when held in the left hand  |
| 7   | 55   | A vial with the saliva of a glabrezu   | 7   | 80   | The magically preserved eye of an extremely rare and fantastical creature   |
| 7   | 56   | A fist sized rock that "beats" like a heart  | 7   | 81   | A dwarven scone. Resembles granite, less palatable  |
| 7   | 57   | A top with four sides each with a carved face depicting happy, sad, wrathful, and dead   | 7   | 82   | Map of the constellations of Krynn, that changes depending on the light level shining down  |
| 7   | 58   | A pair of magically linked bits of gemstone, holding one lets you sense the direction of the other   | 7   | 83   | Fletching from an arrow with red feathers   |
| 7   | 59   | Three coins are made of unusual but non-precious metals; they are of little monetary value, even within their original culture. Roll 1d4 to determine metal -- 1:steel; 2:electrum, 3:tin, 4: bone | 7   | 84   | Little plastic toy rust monster   |
| 7   | 60   | Ivory finger with a realistically painted, long, jagged fingernail   | 7   | 85   | A twisting brass horn that produces a haunting melody when blow   |
| 7   | 61   | A twenty sided die with number 1-30, you cannot determine where the extra 10 number faces come from  | 7   | 86   | A strange idol of blackened glass that sometimes glows with an inner blue light   |
| 7   | 62   | A small demon idol with red crystal eyes that glow when in the presence of reptiles  | 7   | 87   | A tuning fork that, when struck, emanates a specific note that does not fit the conventional tonal scale, making it not useful for tuning instruments |
| 7   | 63   | pen with ink vial, pen is carved of a rare wood with intricate carvings  | 7   | 88   | A small dark glass corked bottle filled to the brim with a powerful liquor  |
| 7   | 64   | The left shoulder piece from a set of dwarven plate mail, deeply scarred   | 7   | 89   | A tiny brass clockwork cathedral that plays organ music when wound  |
| 7   | 65   | A small wooden box filled with a strange red clay  | 7   | 90   | An incense holder carved in the likeness of a hooked horror   |
| 7   | 66   | An inordinately heavy and unwieldy pebble  | 7   | 91   | A romance chapbook written in undercommon titled "Just one Layer of Grey"   |
| 7   | 67   | A wooden leg with a hidden compartment   | 7   | 92   | An unfinished autobiography   |
| 7   | 68   | A Key crafted of multi-faceted, magically hardened glass. It reflects light in strange many-hued patterns.   | 7   | 93   | A right arm broken off from a statue  |
| 7   | 69   | A pouch full of dried berries  | 7   | 94   | A amulet filled with liquid that churns, freezes, or boils to match its wearer's mood   |
| 7   | 70   | A rose carved from coral   | 7   | 95   | 1d100 feet of high-strength fishing line  |
| 7   | 71   | Talisman of animal teeth that rattle near caves  | 7   | 96   | A tiny, broken clockwork Harpy  |
| 7   | 72   | A single scale from a mermaid's tail   | 7   | 97   | A small log that burns as hot as a roaring campfire and never turns to ash  |
| 7   | 73   | A broken tin bell, the soft meal has been crushed flat, but the bell is still able to ring   | 7   | 98   | A walking cane topped with a metal sculpture of a hydra   |
| 7   | 74   | A pair of wooden earrings  | 7   | 99   | A wax seal stamp with the design of a crown on it   |
| 7   | 75   | A number of large speckled seeds nibbled by a funno  | 8   | 00   | Bark from a Black Willow  |

## TRINKETS 801-850

| d10 | d100 | Trinket  |
|-----|------|--|
| 8   | 01   | silk scarf, embroidered in a silver thread   |
| 8   | 02   | Sealed can labeled skeleton juice. Rusty   |
| 8   | 03   | Portrait of a naked elven maiden with a tattoo of a couatl curving down her side   |
| 8   | 04   | A pinch of lich dust in a tiny bat skin pouch  |
| 8   | 05   | A naturalist's drawing journal, featuring mostly lizards   |
| 8   | 06   | Opera glasses. While looking through them, the world around you sounds more melodic  |
| 8   | 07   | Scented candle that smells of lavender one day, and then brimstone the next  |
| 8   | 08   | A wooden model of a horse which has another, smaller wooden horse inside it  |
| 8   | 09   | A tiny lute painted with the images of faeries and food  |
| 8   | 10   | A strange mechanical eyestalk. If peered through see twice as far but speak in a staccato delivery with rising inflection for 1 hour   |
| 8   | 11   | Box of Volcanic Ash  |
| 8   | 12   | A wooden fife that cannot be heard by humans   |
| 8   | 13   | A small whistle, that when blown, whispers the name Higginbotham   |
| 8   | 14   | A marriage certificate between a Duke of Blackmail and a Baroness of Kidnappers  |
| 8   | 15   | A small puzzle box made of brass, that is slightly warm to the touch   |
| 8   | 16   | An ivory comb that when used changes a person's hair color   |
| 8   | 17   | A rough map that shows the local area but occasionally changes to show an unfamiliar continent   |
| 8   | 18   | A wizened, shrunken head   |
| 8   | 19   | A ticket to a dwarven opera  |
| 8   | 20   | Single playing card in a suit no one has ever seen   |
| 8   | 21   | A glass bottle with a tiny ship of unfamiliar design inside  |
| 8   | 22   | A jar of honey with a religious symbol painted on the side   |
| 8   | 23   | A seemingly mundane but intricately carved wand with geometric shapes and esoteric glyphs decorating its long, willow shaft. Picked out with pigments of many hues the glyphs and shapes stand in stark relief to the plain white wood |
| 8   | 24   | A jar of live bees   |
| 8   | 25   | A rough stone statue of a lizardfolk   |

| d10 | d100 | Trinket  |
|-----|------|--|
| 8   | 26   | A corked empty vial that is constantly frosted with ice on the outside   |
| 8   | 27   | A novice wizard's booklet intended as an rudimentary introduction to performing the somatic component of spells              |
| 8   | 28   | one half of a hooked horror carapace   |
| 8   | 29   | A perfect forgery of a small masterpiece work of art   |
| 8   | 30   | Little plastic toy bullet. Its mouth can be opened and can be used as a trowel   |
| 8   | 31   | A small silver metal box, the lids shows ornate designs of the sun, moon, and stars. Each dawn shows a different arrangement |
| 8   | 32   | A lump of heavy, grey metal that is always warm to the touch   |
| 8   | 33   | A small conch shell covered in black crystal   |
| 8   | 34   | Plush Orcus Toy  |
| 8   | 35   | A bottle for a rare vintage of dwarven wine, now empty   |
| 8   | 36   | A small vial of black sand that glows slightly in the moonlight  |
| 8   | 37   | A thimble  |
| 8   | 38   | A gold ring. Looking through it grants True Sight to 30 feet, but the field of view is far too narrow to be used in combat   |
| 8   | 39   | A child's diary  |
| 8   | 40   | Platinum chainmail coin purse  |
| 8   | 41   | A coin made of wood  |
| 8   | 42   | A toy wooden top that cannot be made to spin, but always remains balanced, upside down                                       |
| 8   | 43   | A book where each page is a different creature's skin, and the only text is devoted to identifying each skin                 |
| 8   | 44   | A strange four pronged writing implement that resembles a tiny claw  |
| 8   | 45   | A small pouch of ashes that will remove ink from the pages they are smeared on   |
| 8   | 46   | A letter from a relative addressing you by a different name  |
| 8   | 47   | A small copper bell that seems to be in order, but does not make any sound   |
| 8   | 48   | Fairy in a jar -- She looks really angry   |
| 8   | 49   | Little plastic toy owlbear (With "Moe" haircut)  |
| 8   | 50   | Bronze coin a profile and the moniker Prince of Spies  |

## TRINKETS 851-900

| d10 | d100 | Trinket  | d10 | d100 | Trinket  |
|-----|------|--|-----|------|--|
| 8   | 51   | A 1-inch tall lead figure of yourself. Magically transforms to look like a small figure resembling the owner     | 8   | 76   | A long narrow box of stretched and hardened leather, this scroll case is surprisingly rigid. Investigation reveals, the leather is stretched over a framework of thin, but strong, copper wire |
| 8   | 52   | A cane made from an exotic mummified snake   | 8   | 77   | A glass bottle of water containing a live Quipper that is too large for the mouth of the container   |
| 8   | 53   | A scented and stained kerchief   | 8   | 78   | A drumstick made of wool   |
| 8   | 54   | A bone knife and fork  | 8   | 79   | A cloak lined with a strange blue fur  |
| 8   | 55   | An hourglass in which the sands pour upward instead of downward  | 8   | 80   | The face of an elf, broken off a small marble statue   |
| 8   | 56   | Vial of gelatinous ooze leavings   | 8   | 81   | A twenty sided die with only the numbers 1, 2, and 3 repeated several times each   |
| 8   | 57   | A scrap of wyvern hide, stretched across a five-inch square frame  | 8   | 82   | Half-empty can of industrial grease meaning the bottom half of a fully empty can   |
| 8   | 58   | Complete map of an unlabeled island  | 8   | 83   | A dried out chasme honey globule, the smell is still pungent   |
| 8   | 59   | Ancient coin made of tin   | 8   | 84   | A pair of black stone dice that always roll a one and a six, respectively  |
| 8   | 60   | A necklace made of the desiccated eyes of numerous different creatures, no two of which are alike                | 8   | 85   | A journal filled with poetry hand-written in Primordial  |
| 8   | 61   | Candle in the shape of a kobold with one foot missing  | 8   | 86   | A tooth from a megalodon   |
| 8   | 62   | Pocket mirror that reflects men as women and vice-versa. No visible effect on Dwarves                            | 8   | 87   | rolled up painting, depicts woman walking in a field, artist initialed as ~GH~   |
| 8   | 63   | A shard of blue crystal that produces a beautiful chime when struck  | 8   | 88   | A rough stone eye pulled from a petrified creature   |
| 8   | 64   | A pearl necklace, when there is an eclipse the pearls change from white to a black colour                        | 8   | 89   | Tiny model ship built inside an empty potion bottle  |
| 8   | 65   | A brick of Goblin Cheese   | 8   | 90   | A merchant's scale you can adjust with a hand wave to weigh slightly in your favor   |
| 8   | 66   | A page of hastily-scribbled mathematical formulas no one can explain   | 8   | 91   | Shed feathers from an aarakocra that have been threaded to make a charm  |
| 8   | 67   | A pamphlet for Irytor's World of the Spectacular, the phrase 'closing down' has been scrawled on it in faded ink | 8   | 92   | Map fragment with a splattered bloodstain  |
| 8   | 68   | A bundle of fragrant smelling herbs that, when burnt, release a relaxing aroma                                   | 8   | 93   | Little wooden water strider toy that animates and walks when placed on top of liquid   |
| 8   | 69   | An extremely tiny lute, the size suitable for a mouse  | 8   | 94   | A ceramic coin minted by a long dead merchant house  |
| 8   | 70   | A few feet of rope made from spider silk   | 8   | 95   | Two copper coins stuck face to face which can not be separated by any known means  |
| 8   | 71   | A halfling's traveling journal. Most pages unused, what little is written makes fun of people's hats and noses   | 8   | 96   | A jeweler's hammer with three heads  |
| 8   | 72   | Black iron spur from a devil's scourge   | 8   | 97   | A coin made from carved carapace   |
| 8   | 73   | Chunk of amber, 1" tall prehistoric proto-faerie trapped inside  | 8   | 98   | Skull of a hamster with a chain threaded through it  |
| 8   | 74   | A stick of bright green sealing wax that smells like rosemary  | 8   | 99   | A broken sword hilt with strange runes on the remains of the blade   |
| 8   | 75   | Two sticks which, when thrown in the air, always land pointing to each other                                     | 9   | 00   | Copper bracelet that has turned green and been damaged by acid   |

## TRINKETS 900-950

| d10 | d100 | Trinket   | d10 | d100 | Trinket  |
|-----|------|---|-----|------|--|
| 9   | 01   | An oak leaf on a cord that can be worn as an eye patch  | 9   | 26   | A broken sword-hilt made of black metal. On it is written "Whoever recovers my blade..."       |
| 9   | 02   | A thick, smooth platinum ring that seem like it would be heavy but for the ten or so holes punched through its band           | 9   | 27   | A gourd with dried herbs. Whispers drift through the air when it is shaken                     |
| 9   | 03   | A picture amulet showing an opalescent blue altar. Provides lightning resistance 1/day while underground                      | 9   | 28   | A small wooden top, when you spin it you hear the rushing wind, but no one else does           |
| 9   | 04   | A set of leather riding gloves with the initials J. M. branded onto them  | 9   | 29   | A small piece of fabric that still holds the scent of a lost love                              |
| 9   | 05   | This is a huge, bizarre looking mosquito encased in amber. It has an effect on other mosquitoes such that it scares them away | 9   | 30   | A fist-sized cog, covered in barnacles   |
| 9   | 06   | A velvet pouch full of troll hair clippings   | 9   | 31   | The rowel (the little wheel part) from a spur  |
| 9   | 07   | A confession signed with a halfling name  | 9   | 32   | Book of dirty limericks  |
| 9   | 08   | Two gears from a crashed gnome spelljammer  | 9   | 33   | A brightly colored carnival mask. Its pattern changes every time it's put on                   |
| 9   | 09   | A golden ring forged in the shape of a serpent eating its own tail  | 9   | 34   | A tuning fork that produces the most satisfying note anyone that hears it has ever heard       |
| 9   | 10   | A piece of stone that changes colour based on the mood of it's owner  | 9   | 35   | A holy book devoted to the book itself   |
| 9   | 11   | A leather pouch containing irregular iron nails, some of them bent out of shape as though used                                | 9   | 36   | Metal bracelet with the carving "Est Sularus oth Mithas"                                       |
| 9   | 12   | The preserved skull of a corvid   | 9   | 37   | A charred, half-melted pewter clasp that glows as if smoldering but releases no heat           |
| 9   | 13   | A selection of feathers stuck into a ball of tar  | 9   | 38   | Small volume with a collection of pressed butterflies  |
| 9   | 14   | A piece of supple leather with the image of a forest on it  | 9   | 39   | An obsidian icon of a forgotten deity  |
| 9   | 15   | Part of a helmet of a draconian that has been cut into the shape of a face  | 9   | 40   | A frog statuette from which the legs have been broken off                                      |
| 9   | 16   | A deck of dirty playing cards. Each illustration depicts a different humanoid race, even some beastly ones                    | 9   | 41   | A small glass bottle that looks empty no matter what is in it                                  |
| 9   | 17   | A triangular silver coin of unknown origin. Always finds its way back into your pocket  | 9   | 42   | An hourglass that tells time with falling mist instead of sand                                 |
| 9   | 18   | A small glass jar containing a vibrant blue dye that stains the skin for many days  | 9   | 43   | A cipher made on a human femur bone  |
| 9   | 19   | Big gaudy silver belt buckle. Rot grub encased in resin at center, "CRAWLER" written in cheap gems at bottom                  | 9   | 44   | Severed mummified finger with a jade ring that cannot be removed                               |
| 9   | 20   | Sailor's cap with an interior pocket containing notes on a voyage to a land found on no map                                   | 9   | 45   | A dowsing rod  |
| 9   | 21   | 3' golden rope  | 9   | 46   | A religious text describing the proper observance of a holiday no one has heard of             |
| 9   | 22   | A tiny origami spider that occasionally skitters about on its own   | 9   | 47   | A brass nose ring from a minotaur that has been deformed and beaten back into shape many times |
| 9   | 23   | Ancient coin made of stone  | 9   | 48   | A series of runes that resemble tarot cards  |
| 9   | 24   | An ivory miniature of a duck  | 9   | 49   | A crude chalice made of coal   |
| 9   | 25   | An ancient, coral-encrusted canteen filled with fresh water   | 9   | 50   | A horse shoe which makes a slight humming sound at all times                                   |

## TRINKETS 951-1000

| d10 | d100 | Trinket  |
|-----|------|--|
| 9   | 51   | A set of spectacles that give everything an amber hue when worn  |
| 9   | 52   | A monocle, tinted purple   |
| 9   | 53   | A set of comfortable house sleepers that keep the wearers feet at an ideal temperature   |
| 9   | 54   | A charred chisel with an unfamiliar symbol stamped into its base   |
| 9   | 55   | A leather pouch labeled 'interesting rocks'  |
| 9   | 56   | A small leather-bound notebook with 14 blank pages, and one page with the word Presto. Once the any writing on a page is read aloud, the page bursts into flame consuming only the writing |
| 9   | 57   | A wanted poster with your face but someone else's name   |
| 9   | 58   | A large brass coin with no markings or images on it  |
| 9   | 59   | A pewter ring with an inlaid gold band that slowly rotates   |
| 9   | 60   | A magical signet-ring that leaves a seal in wax that only the person or people you designate can see   |
| 9   | 61   | A knife enchanted so that the dull edge appears sharp and vise versa   |
| 9   | 62   | Vial with Unicorn's milk written on the side. Rainbow liquid never mixes and when shaken will settle into the proper hues in order   |
| 9   | 63   | A sphere with a perfectly mirror surface that appears to be polished silver except it is light as a feather  |
| 9   | 64   | Small drums made of psuedodragon skin  |
| 9   | 65   | Ring of Petrification. Appears to be a normal wooden ring but putting it on turns it to stone until it's removed   |
| 9   | 66   | An icicle wand that never melts  |
| 9   | 67   | A gold plated wrench   |
| 9   | 68   | A sling stone with the name of the name Callahard scratched onto it  |
| 9   | 69   | A palm-sized stone with a hole in it, through which can be heard a constantly whispering wind  |
| 9   | 70   | Empty Vial labeled "Love Potion."  |
| 9   | 71   | Lump of coal with runes carved into it   |
| 9   | 72   | A partially burnt family tree on vellum  |
| 9   | 73   | The hilt of an ancient sword bearing the elvish words: "Dawn rises before death's fall."   |
| 9   | 74   | A box containing a mold for a cast iron key  |
| 9   | 75   | A pocket-watch that started running backwards the moment you picked it up  |

| d10 | d100 | Trinket  |
|-----|------|--|
| 9   | 76   | Engraved helmet made of bronze. A single small sapphire is set into the forehead   |
| 9   | 77   | Spool of silk from a whisper spider  |
| 9   | 78   | A squat jar labeled "doppelganger cream"   |
| 9   | 79   | A rare copy and translation of a religious manuscript  |
| 9   | 80   | A pouch of rainbow sand  |
| 9   | 81   | A small blue glass butterfly attached to a barrette. When the clip is opened, the butterfly stirs and gently flaps its wings |
| 9   | 82   | Five silver bells on a fine ribbon that seem to soothe small animals when jingled  |
| 9   | 83   | A smooth green stone that seems to have a fingerprint etched into it   |
| 9   | 84   | A wooden bowl made of rosewood. When placed upside down on a surface and then removed, it deposits a robin's egg             |
| 9   | 85   | A small comb made of blue coral  |
| 9   | 86   | A ring made of a white metal. On the inside is a name etched in Auran  |
| 9   | 87   | Sovereign Goo: The king of all things gelatinous... in a small glass bottle  |
| 9   | 88   | A dog-eared map, folded several times over. While it does not portray your current location, the landmarks seem familiar     |
| 9   | 89   | A hardened sand painting depicting a gladiator match   |
| 9   | 90   | A bottle of invisible ink that can only be read at sunset  |
| 9   | 91   | An inert grick stinger   |
| 9   | 92   | A spherical astrolabe that tracks the movements of the planes  |
| 9   | 93   | A stone bearing the names and symbols of unknown elven houses  |
| 9   | 94   | The skin of a doll, missing its stuffing and eyes  |
| 9   | 95   | Statue of a hydra with all the heads broken off  |
| 9   | 96   | A quill with a small ink reserve carved into it  |
| 9   | 97   | A cube that turns into a sphere when twisted. Appears to be made of obsidian   |
| 9   | 98   | A small pocket mirror that slowly fogs over while held   |
| 9   | 99   | A rope belt that can extend to fifty feet  |

## TRINKET #1000

| d10 | d100 | Trinket  |
|-----|------|--|
| 0   | 00   | A long piece of parchment with precisely 1000 odd trinkets written in very tiny script upon it |

# CREDITS

Brought up during a 5e general on /tg/

Original is taken from Pastebin:

<https://pastebin.com/wX41yZGF>

Modified without permission. Made the d10+d100 numbers be more reflective of the trinket number.
