

DA CURATED ARCHIVE

This is an archive of actively maintained links to RPG Troves.

Each one is a single game, theme, or publisher, and strives to be complete.

**See an (offline) trove you mirrored or happen to collect? Toss up a link!
It's never too late to become a curator.**

/Drop, /Donate, /Submit, etc. links are for filling gaps in troves. If you're suspicious of a file's hygiene, please denote so in the filename.

PLEASE BUY A COPY OF THE BOOKS THAT YOU USE.

If you wanted to help, you could join the Anon Brigade by becoming a Curator and/or by finding stray PDFs for other Curators.

Pick a game or small publisher you like that's not too big and complete it as best you can easily.

Really prolific games can be divided into components; by edition, setting, publisher etc.

Upload the pdfs somewhere. Hunt for and request the missing things. If it gets taken down, put it up again later. Using indirect links like \$nip li or pasteb!n has a real advantage in that this document will tend to stay valid without constant editing.

I found this **big honking list of rpgs**,
that probably means everyone else has known about it for ages.
It stopped in 2007, it has descriptions and stuff. <http://www.darkshire.net/jhkim/rpg/encyclopedia/>
This one started in 2008
<http://www.thefreerpgblog.com/>

Sorry for the incomplete links and funny L33t spelling of upload site names

ss, @SS or \$\$ is Send Spaace, m3g@ is Megaa, <dot> is a period or dot as in dot com

\$n!p<dot>li, soo<dot>gd, and h1v3<dot>@m links are cAsE sEnSeTiVe

If \$n!p<dot>li is finicky, try \$n!pli<dot>com instead.

There is a u\$ercloud and a u\$er\$cloud, be careful to go to the correct one.

Add the hypertext protocol colon stuff to the front then the upload site spelled correctly, then add the final gibberish to build a complete link.

Slightly outdated versions of many of these troves can be found at
